Joint IFRA UK - BSP Workshop: Regulations for Non-Regulatory Personnel

Thursday, March 20th 2014, 10.00 - 16.00

The Royal Society of Chemistry, Burlington House, Piccadilly, London W1J 0BA

Do you work in the fragrance industry in a non-regulatory role? Is so, this workshop was organized with you in mind! Please join us at the IFRA UK & BSP Workshop when we look at the regulatory environment affecting fragrances. We'll examine the key regulations from the different perspectives of product development, the workplace, the customer & consumer.

This workshop provides tour through some of the most important regulations to the fragrance industry:

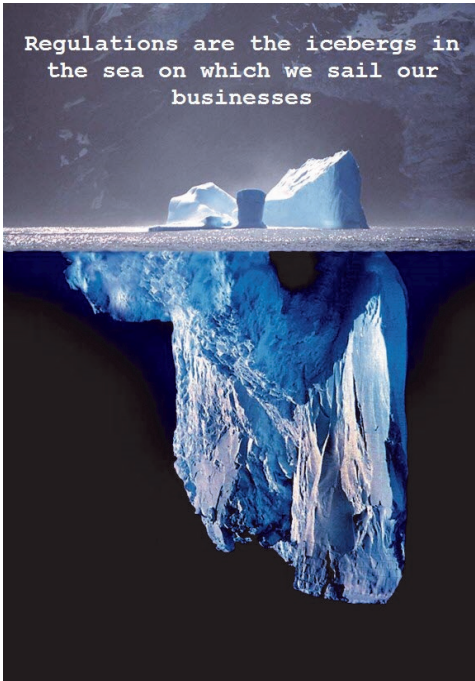

CLP classification	Safety data Sheets
Cosmetic Regulation	IFRA
Workplace health and safety	REACH

Plus the emerging iceberg: Endocrine Disrupting Chemicals.

Please book early to avoid disappointment
